2006 Bouchaine Estate Chardonnay, Napa Valley-Carneros

As this vibrant young wine attests, Chardonnay does not need to be big, highly ripened and burdened with oak to be counted as a success. From its citrus-tinged nose of candied green apples to its similarly oriented flavors, it remains snappy and bright and more than makes up in cleansing freshness for what it may lack in extract and sheer heft.

Shelftalker PDF's are available for this and other Bouchaine wines.
